HUB
INDUSTRIAL SUPPLY

How the offer works:

1. Shop www.hubindustrial.com for new items that you haven't ordered from HUB before (see disclaimer below).
2. Every time you order something new, use the promo code corresponding to the premium you are aiming for.
3. Use promo code **400NEW** to get a tumbler, **1500NEW** to get a quadcopter or **3800NEW** to get a cooler.
Important: You must choose which gift you want to earn; you will not be able to change promo codes after the fact.
4. HUB's marketing team will track your qualifying orders, and you will be contacted when your new item purchases have exceeded the target amount.
5. All 3 of these premiums are great for summertime use or even company contest giveaways. The possibilities are endless!

*Limit one gift per facility. Offer valid for new items only. Please allow up to 3 weeks for the arrival of your premium.

DON'T FORGET TO USE THE PROMO CODE WHEN ORDERING!

DISCLAIMER: These offers only apply to new line items found in a current published HUB Industrial Catalog. New line items are products that you have not purchased within 12 months of the current order date. You must use the promo code at the time of purchase to qualify for this offer. The promo code you choose may not be changed to a different promo code after the fact.
